

How do we learn about God? Well, apart from reading our Bibles and praying for wisdom, we can ask questions. This series of lessons looks at some of the questions kids can have about God. This lesson outline is good for children of any age. Complete anything in this lesson that you know your child can understand and enjoy.

1. TODAY'S QUESTION - WATCH THE VIDEO

The main teaching for this lesson is found in the following video featured on YouTube:

www.youtube.com/watch?v=riT6hp-kDI0 (Gateway Encounter Kids - God Questions! Question 1)

2. TODAY'S ANSWER - HERE'S THE SUMMARY

Today's Answer is found in the story of Creation in Genesis 1. You can read this chapter to your children, or take turns reading each verse with your children and talking about the story. You can also watch the following video:

www.youtube.com/watch?v=teu7BCZTgDs (key search terms: Creation, Saddleback Kids)

After reading or watching this story, talk about these main concepts, asking your child(ren) questions to ensure basic understanding:

How did God create things? *He created everything in the world with His words*

What kind of things can you create with your words? *Answers will vary*

3. TODAY'S ANSWER - FURTHER STUDY

If your child(ren) are interested in more, you can also read...

- 1) John 1:1-4, which also refers to the beginning of the world, and called Jesus the Word of God. This reinforces how God **spoke** the world into being with His Word, or Jesus!
- 2) Mark 11:22-23 Whatever God said, happened! When He made us just like Him, this should happen for us, too! This is why declaring God's truth and promises over our lives and others is so powerful!

4. TODAY'S MEMORY VERSE

Genesis 1:31 God saw everything that He had made, and indeed it was very good.

Say the verse using different voices or accents. Try using a high voice, New York accent, a whisper, and more!

5. OTHER THINGS TO REMEMBER

Remember to print off this week's activity and colouring sheets!
