

Lessons on the Christian Life
Lesson 6: Telling Others about Jesus

I have come that they may have *life*,
and that they may have it more *abundantly*.

John 10:10

Leading
Others
to Jesus

Just before Jesus left this earth, He had some very important times with His disciples. One of the last things He told them was, “Go into all the world and preach the *gospel* to every creature.”

Then He *filled* them with the Holy Spirit’s power so they could do that. They not only preached the gospel, they healed the sick, cast out devils and did *mighty miracles* as they had seen Jesus do.

1. We are surrounded by people every day who don’t know what to do to go to heaven when they die. Some people we see all the time would really love to be sure they’re not going to hell. And WE have their answer. **What is their answer?** What do they have to do in order to know they will go to heaven when they die?

2. **At least two things are very important for them to know.** God said our message is: “God is not holding your sins against you” (2 Cor. 5:19). They need to know GOD IS NOT MAD AT THEM. All they have to do is ask His forgiveness for their sins and He will instantly forgive them all. It is very important to stress that they **ask for forgiveness.**

The second thing is they need to ask Jesus to come into their heart. (Hint: That was the answer to question #1.) This means that they are allowing God Himself to come live within them and change them. In other words, they are giving God control of their lives. **Read Romans 10:9-10 and write it here to see how people can be saved.**

3. **It is extremely important that our lives are lovely** to people around us at school, in the store, in traffic, on the playground. Are we unselfish and are our words kind - even when others are mean? God wants us to be beautiful Christians. Describe what you think is a beautiful Christian.

He also wants the world to know we are Christians because we love one another (John 13:35). He wants non-Christians to look at the way we love each other and want to be a part of our loving group.

4. You may not know what to say to help someone be saved. Ask the Holy Spirit to help you. Ask the Lord to open up an opportunity where they ask you a question. **Write down what you would say if someone asked you, “How can I go to heaven when I die?”**
