**Hey Parents!** This week's story was taken from **Acts 1**.

After Jesus rose from the dead, He spent 40 days with His disciples. Jesus took His disciples to the Mount of Olives where they asked Him if He was going to take power over the Roman government at that time. He told them that instead, they would go out into all the world to preach the gospel and the kingdom of heaven. Then He was taken up into heaven. The disciples watched Him be lifted up into the clouds until He disappeared. Then two angels appeared to help the disciples understand what had just happened, and told them that Jesus would come again some day, just like He left. Today we are still waiting for Him to come!

**This Week's Memory Verse:**

1 Thessalonians 4:17 We will be caught up in the clouds to meet the Lord in the air.
